YESforMarriage.com Releases Financial Report

Says Prop 102's simple and clear language is uniting Arizonans

YesForMarriage.com, the organization leading the Yes on Prop 102 campaign, today released its Post-Primary Election Report for the reporting period of August 14 to September 22. The report shows the following:

Total Cash Contributions to Date:	\$6,874,315.51
Total Cash Contributions for Reporting Period (8/14-9/22):	\$6,266,220.51
Percentage of Donors from Arizona:	98.65%

YesForMarriage.com spokesman Kelly Molique attributed the campaign's success to Prop 102's simple language saying, "Prop 102 is 20 simple and clear words that define marriage as the union of one man and one woman. Arizonans of all ages, ethnicities, religions, and political parties are stepping forward to support Prop 102."

Molique said she believes YesForMarriage.com's fundraising success is the clearest indication yet of where Arizonans stand on the issue of marriage.

"Over 98% of Proposition 102's donors are Arizonans. This outpouring of support is just more evidence Arizonans want to put Prop 102's 20 simple and clear words in the Constitution to define marriage in our state once and for all -- and keep the politicians and judges out of it," Molique said.
